

8 January 2010

Dear Parents

Year Three Newsletter

Happy New Year and welcome back!

This half term our topic is PEOPLE, we will be focusing on History and the Tudors.

We will also be studying:

Materials in Science,
Village Settlers in Geography,
Digital Media in Art and Design Technology,
Going for Goals in SEAL (Social and Emotional Aspects of Learning),
Heroes and Heroines in RE,
Word Processing in ICT,
And finally, Gymnastics in PE. This will be on a Wednesday Afternoon (in the hall).
Children will still need football boots (with rubber studs) and tracksuit bottoms for using the field during break times.

There are a lot of exciting events happening over the next few weeks. Starting on Tuesday next week, Rupert Creed will be working with the class every week for half a day. This is part of a Creative Partnership grant that the school successfully received funding for. During these sessions Mr Creed will be focusing on story telling and drama work and this will lead into the children producing some written work.

We also have a 'Planetarium' visiting the school on Monday 25 January and this will be lead into planetarium week, and 'Zulu Nation' visiting the school on Friday 5 February.

Please can children have book bags with them every day. Homework is given out on a Friday to be handed in on Monday, thank you.

We have had a very successful Autumn term and all the children have been working very hard, as a result of this they are all starting to make good progress. I am sure this hard work will continue for the rest of this term as well.

As always, if you have any questions or concerns please do not hesitate to come and see me to have an informal chat.

Yours sincerely

Mrs Graham
