

8 January 2010

Dear Parents

I hope you and your families have had a good start to the new year.

Thank you for all my lovely presents, I shall be munching my way through chocolates for some time to come!

We have two trips this half term. We are going to BAE systems in a couple of weeks. During this session, we are set the challenge of making a model aeroplane that is propeller driven. The children will walk to BAE and there will be no cost involved.

We are also going to the theatre to see Macbeth at York. This is a production that is performed by the company "Shakespeare for Kids" – they are fantastic and is consistently the best show I see at the theatre each year. We will be studying Shakespeare and his plays over the next two weeks.

PE this half term is indoor gymnastics so it would be better for your child to have shorts and a t-shirt for this. The outdoor games over break and lunch time will still take place but this is optional. If your child wants to play the field games in the break sessions, they will need the usual outdoor kit too.

A few children did not have their indoor shoes at the end of the last term, could you please ensure that your child does have a comfortable and safe pair of shoes/plimsolls to wear indoors. All footwear that was in school was sent home with the children at the end of last term.

Homework will start again on Monday and needs to be returned on a Friday.

Thanks for your support. Please contact me if you are worried or curious about anything we are doing.

Yours sincerely

Mrs Millar
